TAILORED DELIVERY

Content, duration, delivery format, prerequisites, assessment and pricing are agreed with ARI when your needs are scoped.

The programme outlines, exercises and takeaways in this catalogue are proposals that can be adapted to your context.

ARI-01 / Professionals

Career progression

Develop the skills, professional behaviours and strategies needed to position yourself effectively for promotion and accelerated progression within your organisation.

LEARNING OBJECTIVE

Provide practical approaches to structure career development, increase professional visibility and accelerate upward mobility.

AUDIENCE

Professionals, specialists and employees preparing to take on greater responsibilities.

PROPOSED PROGRAMME OUTLINE

01 Clarify your direction

Review your experience, strengths and target responsibilities.

02 Strengthen your positioning

Identify the skills and behaviours expected at the next level.

03 Make your contribution visible

Showcase your achievements and build useful professional relationships.

04 Build your development plan

Define actions, milestones and review points with your manager.

PRACTICAL EXERCISE & TAKEAWAY

Prepare and present a well-supported career progression proposal.

A career development plan and a framework for an internal mobility discussion.

Duration, delivery format, prerequisites and assessment: agreed with ARI. Pricing: tailored quote.

ARI-02 / Professionals

Managing interpersonal conflict

Master conflict resolution techniques to maintain a healthy, collaborative and effective work environment.

LEARNING OBJECTIVE

Share methods for de-escalation, mediation and the constructive resolution of tension between colleagues.

AUDIENCE

Professionals and employees who need to prevent or manage workplace tension.

PROPOSED PROGRAMME OUTLINE

01 Understand the conflict

Distinguish facts, perceptions and the needs behind tension.

02 De-escalate the situation

Develop active listening and assertive communication.

03 Lead a resolution conversation

Reframe disagreements and seek acceptable solutions.

04 Sustain cooperation

Agree commitments and organise follow-up.

PRACTICAL EXERCISE & TAKEAWAY

A workplace disagreement role-play followed by a group debrief.

A conflict analysis checklist and a framework for a resolution conversation.

Duration, delivery format, prerequisites and assessment: agreed with ARI. Pricing: tailored quote.

ARI-03 / Professionals

Building your professional identity - Personal Branding

Establish a strong, consistent and visible professional identity to stand out within your organisation and strengthen your influence.

LEARNING OBJECTIVE

Present key strategies for building a solid, recognised personal brand aligned with career ambitions.

AUDIENCE

Professionals and specialists seeking to clarify their positioning and showcase their expertise.

PROPOSED PROGRAMME OUTLINE

01 Identify what makes you distinctive

Clarify your values, expertise and unique contribution.

02 Articulate your value proposition

Develop a consistent professional narrative supported by achievements.

03 Build your visibility

Choose channels and opportunities suited to your context.

04 Sustain your influence

Define an authentic communication approach and action plan.

PRACTICAL EXERCISE & TAKEAWAY

Develop your professional pitch and test it with the group.

A professional pitch, value proposition and visibility plan.

Duration, delivery format, prerequisites and assessment: agreed with ARI. Pricing: tailored quote.

ARI-04 / Managers & Leaders

Selecting an effective leader

Identify essential criteria for choosing the leader best suited to a team’s needs and the company’s strategic objectives.

LEARNING OBJECTIVE

Help executives and HR teams structure a selection process based on skills, leadership style and operational challenges.

AUDIENCE

Executives, HR professionals and managers involved in selecting a leader.

PROPOSED PROGRAMME OUTLINE

01 Define the leadership need

Connect team context with business priorities.

02 Build selection criteria

Distinguish skills, expected behaviours and operational requirements.

03 Assess systematically

Structure interviews and practical assessments around explicit criteria.

04 Inform the decision

Compare observed evidence and prepare the conditions for success.

PRACTICAL EXERCISE & TAKEAWAY

Compare several profiles using a shared selection framework.

A selection framework and structured interview guide.

Duration, delivery format, prerequisites and assessment: agreed with ARI. Pricing: tailored quote.

ARI-05 / Managers & Leaders

Integrating a leader into a new team

Ensure a smooth and successful transition when a leader joins an existing team.

LEARNING OBJECTIVE

Provide a clear methodology to support integration, establish the leader’s credibility and accelerate team cohesion.

AUDIENCE

Newly appointed managers, executives and HR teams supporting a leadership transition.

PROPOSED PROGRAMME OUTLINE

01 Read your new environment

Understand the team’s culture, expectations and relationships.

02 Establish trust

Lead initial conversations and clarify your approach.

03 Align the team

Share priorities, roles and working agreements.

04 Structure the first months

Build milestones and reviews suited to the context.

PRACTICAL EXERCISE & TAKEAWAY

Develop an onboarding scenario and prepare a first team meeting.

A leadership onboarding roadmap and a framework for discovery interviews.

Duration, delivery format, prerequisites and assessment: agreed with ARI. Pricing: tailored quote.

EXPLORE ONLINE / REQUEST A PROPOSAL

ARI-06 / Managers & Leaders

Turning around a dysfunctional team

Diagnose the causes of dysfunction and apply transformation levers to restore collective effectiveness.

LEARNING OBJECTIVE

Present structured turnaround approaches to restore order, performance and team dynamics, beyond discipline alone.

AUDIENCE

Managers, executives and HR professionals facing difficulties within a team.

PROPOSED PROGRAMME OUTLINE

01 Establish a diagnosis

Distinguish problems with processes, trust and role clarity.

02 Prioritise interventions

Identify actionable causes and the conditions for engagement.

03 Rebuild ways of working

Clarify responsibilities, cooperation rules and decision-making.

04 Manage the turnaround

Define an action plan, indicators and review points.

PRACTICAL EXERCISE & TAKEAWAY

Diagnose a fictional team and present a turnaround plan.

A team diagnostic framework and prioritised turnaround plan.

Duration, delivery format, prerequisites and assessment: agreed with ARI. Pricing: tailored quote.

EXPLORE ONLINE / REQUEST A PROPOSAL

ARI-07 / Managers & Leaders

Building a high-performing team

Define the foundations of a high-performing team, from the design of its operating model through to execution.

LEARNING OBJECTIVE

Demonstrate the impact of clear objectives, well-defined expectations and review mechanisms on overall team performance.

AUDIENCE

Managers, project leaders and executives forming or structuring a team.

PROPOSED PROGRAMME OUTLINE

01 Define the collective mission

Translate business ambitions into explicit team objectives.

02 Design ways of working

Organise roles, responsibilities and interfaces.

03 Establish useful routines

Structure coordination, feedback and decision-making.

04 Monitor and adapt

Define meaningful indicators and organise continuous improvement.

PRACTICAL EXERCISE & TAKEAWAY

Design a team operating model using a business case.

A team charter and a dashboard for tracking collective objectives.

Duration, delivery format, prerequisites and assessment: agreed with ARI. Pricing: tailored quote.
